## POOL SAFELY CAMPAIGN PARTNERS

The *Pool Safely* campaign is supported by dozens of drowning prevention and public safety organizations from across the nation. The campaign combines the efforts of a wide variety of partnering organizations, including drowning prevention, water and children's safety groups; industry leaders and the pool and spa community; and state and local entities involved in pool and spa regulation. The current list includes the following organizations.

### Campaign Safety Partners

Campaign Safety Partners (CSPs) are the top tier of partners who are well-known national or international organizations with a significant stake in drowning and entrapment prevention, child and family safety, and pool and spa safety and related issues. They are highly engaged in the campaign and are featured in key elements and activities of the campaign.

### **Campaign Safety Community**

Campaign Safety Community (CSC) is a virtually limitless group consisting of nearly 1,000 individuals and organizations largely comprised of local coalitions and affiliates of our campaign CSPs and CSLs, as well as families touched by drowning tragedies. Any organization is welcome to join the CSC by subscribing to the CPSC email newsletter and promoting the *Pool Safely* campaign in their own communities. The *Pool Safely* Campaign Safety Community currently includes:

- Local fire and rescue services
- Children's hospitals and medical centers
- Swim schools and lifeguard training programs
- Local departments of public health and environment
- Pool and spa equipment manufactures and service providers
- Local recreation and parks authorities
- Colleges and universities
- Drowning prevention advocates
